

Beverley Farm Cattery - Covid-19 social distancing procedures.

To maintain the safety of both our customers and ourselves, the following Covid-19 safety procedures are applicable until further notice.

Where possible all paperwork and payment will be completed online to maintain social distancing measures.

Cattery viewings and visits to the cattery are unfortunately not currently available.

(Please see the cattery photos on our website gallery should you wish to view the cattery online, we are also fully licenced to board animals by East Hants District Council, who awarded us 5 stars at our last inspection).

Arrival and departures of cats are strictly by appointment only, and social distancing procedures will be in place at all times.

On arrival, we will collect your cat(s) from you, in their secure carrier, at the driveway in front of the house. We will then take the cats to the cattery and settle them into their accommodation on your behalf.

On the cat's departure, the reverse procedure will be repeated, and we will return the cats to you at the front of the house.

We are looking forward to welcoming you and your cat to the cattery.
