

AUTHORISATION FOR VETERINARY TREATMENT

I agree that in the case of suspected illness, a veterinary surgeon may be contacted, and my cat(s) examined and investigations performed if required (eg blood tests, x rays). I understand that, if required by the Cattery, a veterinary surgeon may be called out to examine / treat my cat(s) on site at the cattery itself (this may well be the case where I have provided contact details of a veterinary practice which is not the nearest in location to the Cattery).

I agree to the Cattery administering any prescribed treatments that the vet considers advisable.

I understand that all tests and treatment will be given at my own expense, including any veterinary call out charges.

I understand that any out of pocket expenses incurred by the Cattery in directly obtaining any treatment for my cat(s) (including travel mileage) will be at my own expense.

I give permission for worm/flea treatment to be given if deemed necessary, and understand that this will be at an additional charge.

I also give consent for euthanasia should this be recommended on humane grounds by the veterinary surgeon caring for my cat(s), in consultation with my veterinary surgeon and/or any emergency contact that I may have provided.

I have made the proprietor aware of any special requests I may have for dealing with my cat(s) care in my absence.
